Sheer filth, for the readers, from the readers...

GIRL FROM BRAZIL!

I've been living with Joanie for the past couple of years and, to keep our sex life fresh, we like to swing with other girls. It's mostly spontaneous hook-ups at dyke bars, but we also surf contact sites.

That's how we found Marielle, an angelic-looking blonde clad in little white knickers so sheer and tight we could see her Brazilian-waxed crotch through them. We told her to make sure that she wore them when she came to visit us. She did, but she wasn't the sweet little innocent we were expecting. Immediately she arrived, she stripped down, bending over to make sure we saw the butt-plug in her bumhole. She said she'd worn it for the two-hour tube-and-train journey to our place.

There was very little talk – Marielle just kept drifting off, fingers straying down to her clit. Joanie didn't hold back, either. There was no kissing, no pause to suck on Marielle's cute little boobs. My girlfriend just ducked her head, yanked down those pants and started to give our guest a clit-licking.

Marielle began moaning, then even louder as Joanie stuck a finger in the hollow base of the plug, twizzling it around in her arsehole. Marielle was quivering, her hips giving little jerks and bucks, but I knew I could get her cumming even harder with a strap-on. Once I'd harnessed it to my crotch, I grabbed Joanie by the hips and slammed it into her, fucking her hard right from the word go. I knew she'd be wet enough from eating clit to take it – and wet enough to get it nice and slippery for me!

I kept half an eye on Marielle, watching her get turned on, frustrated, a little needy of attention. "Okay," I told her, "time to pop that cork!" I lay down on the couch and Marielle straddled me. I watched Joanie pull out the plug, Marielle cumming as her clit got more teasing. Then, slowly, Joanie guided my strap-on into Marielle's arse. It was slightly bigger than the plug, so I felt her stretch, then clench tight around the shaft. Marielle rode me more than I fucked her, little boobs jiggling about until she leaned forward so I could suck them. Her nipples

WorldMags.net

were big and stiff, and so sensitive – I soon had that little slut cumming all over again!

Joanie wasn't planning to be left out of the fun either. She sat on my face, her back to Marielle, and got her fanny sucked, juices sliding down the back of my throat. Then she raised her bum so Marielle could eat her snatch, lapping wetness up to her arsehole and rimming it. In the end, I had the two of them cum simultaneously – Marielle writhing on my latex cock as Joanie's cunt clamped around my tongue.

As the girls recovered, I helped myself to Marielle's skimpy knickers, breathing in the smell of hot, wet pussy as I fucked myself with a dildo. Not that I was left alone for long – Marielle did me with the strap-on, while Joanie vibed my clit, the two of them sucking on a nipple apiece. I could write you more about that night, but Joanie says it's playtime now…

Danielle Maye is a beast on Twitter. We're sure that comes as no surprise – many models can't leave it alone – but Danielle is one of the few we actively follow. Why? Well, she's silly, natural and, most importantly, drops in links to sexy pics. Unfortunately, they get deleted pretty quickly, which is not something that's going to happen here. Yup, screw the internet, *MensWorld* has a heft and a permanence, you don't get online. Plus, look at the size of the picture to the right. Good luck getting something that big on your iPhone.

SEDUCTIVE SECRETARY

Sometimes it really does to pay to be honest with a girl. I'd been lucky enough to take my pick from the pool of secretaries when my previous girl was headhunted. I had to admit that I didn't choose Alison for her typing skills or her telephone manner. She was beautiful with flashing blue eyes and pouty lips. But it was her enormous breasts that made her stand out for me. She obviously liked them and wasn't afraid to show them off.

I quickly established that she was happy to engage in a bit of banter when we were alone, and I often remarked on how her tits looked great in a particular top or openly wondered at how she'd managed to squeeze them into her blouse. "Thank-you," she always smiled sweetly, pushing her blonde hair back behind her ears. But it was Alison who raised the stakes from banter to action.

"Would it be OK if I give you a tit-wank?" she asked. Time seemed to slow down in the office as my eyes dropped to the bottle of lotion in her hand. "It's just that you keep going on about my tits… but you've never actually done anything about them. You've never even tried to cop a feel." I wouldn't have dared to actually touch her but my cock had already sprung into life and was straining to make its way over to her. "Don't worry, you've not got any appointments this afternoon," Alison added, as she started undoing the buttons of her blouse.

I felt dizzy as the spectacular slopes of Alison's cleavage came on full display, her flesh straining to escape the restraints of her pink bra. The soft tissue swelled dramatically as she reached behind and unclasped the bra and then she peeled the material away. I stood in mute admiration as Alison pulled on her nipples, stretching both breasts before releasing them and letting the flesh bounce back into place.

"Come and have a feel." She beckoned me over and handed me the body lotion. I squirted it on my hands and then simultaneously squeezed both of my secretary's tits. Alison sighed and it was unreal as I watched the tender flesh mould under the pressure from my fingers. As I traced the contours of Alison's chest, she was busy releasing my cock. The feel of her hands wrapping around my erection sent sexual thrills deep into my core. Nobody had ever taken control of me like this before. I liked it; I liked it a lot.

Alison's top half was naked as she guided me into my leather recliner. She parted my legs and knelt between them, pushing closer until her boobs were pressing against my scrotum. My erection disappeared between Alison's breasts as she used her hands to squash her soft tits together. She raised and lowered herself whilst squeezing her tits together and I watched as my cock seemed to be repeatedly launched from within the milky expanse of Alison's cleavage before falling back. It felt great and looked amazing. As she looked down, I added a slight thrust

WorldMags.net

and the tip of my cock bumped against her lips at the top of every stroke. As my cock repeatedly threatened to slip into Alison's mouth, my sap started to rise.

"I'm gonna cum," I warned, and Alison somehow craned her neck down far enough to actually take the tip of my cock into her mouth. I felt her tongue graze along the sensitive underside of my glans. It was outrageously sexy and I paused whilst I fired four salvos of spunk into her mouth before allowing my leaking cock to drop back down between her tits. Alison let some of my cum escape and the white mess slid down her chin and into her cleavage, where it added further lubrication as she mashed my wilting cock between the soft globes of her tits.

"Can I lick your cunt?" I asked, and a wonderful smile spread across Alison's face. She didn't bother stripping – instead she just hitched-up her skirt and perched on my desk before pulling her knickers to one side. I could feel the heat radiating from her body as I moved my mouth in against her slippery quim. This was no time for teasing – I got straight down to business, flicking my tongue across her clitoris whilst stirring two fingers deep inside her hole. Alison's breathing became more and more ragged until she quivered violently as her muscles contracted with bolts of orgasmic pleasure.

A wave of contentment washed over me as Alison's breathing returned to normal. "I think we'll be doing this again," she said, smiling sweetly whilst teasing her nipples – and we do. The advantage of having a very efficient secretary who has the hots for you is that she can always free-up a few minutes between meetings for a quick blowjob and she seems to be able to juggle appointments so that we can have a nice long shag at least once a week. As I said, it really can pay to be honest.

Club Class

From the first time I was 'allowed' to stay out and go to a club, until now, it has always been the highlight of my week. It's like my body only seems to come to life after midnight. Especially nowadays after another week of the same dreary routine at work, the early hours of Sunday morning are what I live for.

Particularly when I leave with someone, in order to finish the night off in style!

This was the case as I left the club draped over a guy, Mike, who I had met a few weeks earlier. We fell into what I initially thought was a taxi, but was instead his mate's car. His mate didn't speak as he nervously drove us to my house. On the way to the door Mike's hands were all over my arse, as he excitedly kissed my neck.

From the second we were inside I responded by ramming my tongue aggressively down his throat and yanking his belt buckle roughly. Mike had pulled my top off and was desperately pulling my bra cup aside, so he could get his mouth around my breast. Just as I found his fat, rigid dick and freed it from his boxers, I caught a glimpse of his friend standing there.

Secretly excited, but trying to feign surprise I questioned, "Staying to watch are you?" To which he looked anxiously towards Mike, who answered for him. "Well… he needs to give me a lift home afterwards." "What?" I replied, "So you're going to fuck me and leave?" Mike didn't answer; looking like the cat that had just lost the cream! However, I continued, "Well if it's going to be quick you can at least make it worth my while!" I reached for his friend and steered his hand towards my exposed chest. Mike got the message, and, unzipping my tight skirt from behind, ran his hand down to my dampening twat.

His friend's tongue was circling my dark brown nipple, and I now

JO GUEST

As we make magazines, you could say we're soft media ponces who wouldn't know a hard day's work if we were staring at one. But we'd trade it all in and become lathe operators if we worked with Jo. The site of her in overalls getting to grips with some nuts and a big tool is enough to make us all long for some manual labour. And when it comes to striking, Jo is definitely that. Football.

"You say potato... Whatever, the US women's soccer team is really good, so I'll be cheering them on to a gold medal."

That's really good to hear, Tiffany, but any chance you can get us into the locker room afterwards? You, 11 sweaty soccerettes and our camera. Deal?

Sadly, Brea Bennett has now retired from the world of adult entertainment, what with it being a full two years since she last soaked up a load of spunk on camera. Any chance of a comeback, Brea?

"Well, it'd have to be for the right reasons," she tells us, "and one of those isn't money. I was really in it for the sexual experiences, but then I got a girlfriend who fulfilled my every need in my personal life, so I didn't need to do porn any more."

Balls. Any chance of that relationship being on the rocks?

"Ha, not really, but I am missing cock. Maybe I'll just do a gangbang and my first onscreen anal to get my fill. That sound good to you?"

Damn right!

Bubbles (Bluebird Films)

Ah, the old sexy car wash theme. You can't beat it. Of course, your car comes out messier than it went in, streaked in pussy juice and with the Turtle wax completely forgotten about. But that's a small price to pay for having had Michelle Thorne, Katie K, Sami J, Krystal Webb, Gemma Massey, Tommie Jo and stacks of others getting naughty on the bonnet. Yup, it's the cream of British birds getting in a lather, and a fine slice of all-girl action.

Fuck Palace (Private Gold)

The *Magic Island* Series might be short on comprehensible plot, but since when does that hamstring a porn film? No, instead we're invited to a sun-drenched villa to witness six girls availing themselves of all available cocks. Once more they cast the brilliant Carla Cox, who gets bottomised in a threeway then grins like the Cheshire cat as her face gets glazed with twin blasts. Mia, Sandra De Marco, Rihanna, Kristy Lust and Aliz make up the rest of a more than strokeable cast.

It might not have the gloss and glam of *Bubbles*, but *Lesbian Triangles 25* is another example of Girlfriends Films 'as real as it gets' Sapphic slurping schtick. We get Yanks and Euros, fresh babes and MILFs, all pairing off with little fuss. Angie Noir and Savannah Steele are a watchable couple, Angie then sticking around to tangle tongues and twats with Euro legend Anita Dark. Deauxma and Janet Mason provide the MILF quotient, each sharing a scene with Elexis Monroe. Unfussy lesbo action – you know what to expect from Girlfriends by now.

Dallas XXX (Adam & Eve)

DVD OF THE MONTH

This comes out just as the real *Dallas* reboots on television. And, to be honest, the standard deeply poor porn star acting on show here is no worse than that on the big budget original, which was always tosh. In fact, this is way better because it involves Sue Ellen (Bobbi Starr) getting doinked in the doinkhole, India Summer as Pam, Alexis Ford as Lucy and Eric Masterson as a decent JR. Expect spurting geysers aplenty.

Busty Invaders From Mars

Starring: Alektra Blue, Lisa Ann, Julie Cash, Margo Russo, Tasha Reign, Chris Johnson, Danny Mountain, Mark Wood, Ramon Nomar, Richie, Ryan McLane.

Directed By: Jonathan Morgan.

Available From: Wicked Pictures.

SPACE BALLS!

IT'S EXTRATERRESTRIALS WITH EXTRA-TESTICLES ON THE SET OF WICKED'S LATEST SCI-FI SEXTRAVAGANZA. EMMA EDWARDS GETS GANG-PROBED FOR YOUR BENEFIT...

Busty extraterrestrials, led by the sexual domination of a nymphomaniac leader, Queen Areola (Lisa Ann), from the Mammary Planet of the Lactiforous Galaxy, have descended upon Earth with the supreme goal of enslaving humans as their personal sex toys. By using their seductive prowess and their weapons of mass destruction, their "boob power", humanity is at risk of falling victim to their evil plans. But, alas, there is hope as a sex-crazed scientist, Alektra Blue, makes it her personal mission to thwart their interplanetary poontang plot... one orgasm at a time!

These are the comical circumstances created in *Busty Invaders From Mars*, a cosmic cockbuster presented by award-winning director Jonathan Morgan. Spoofing the 50's Sci-fi thrillers of yesteryear with a comparable premise, plenty of busty beauties running amuck and cheesy special effects that set the scene ablaze, this sexy space adventure is sure to stroke you just right. Powered by planetary pussy and offering gobs of galactic goo, this is one erotic invasion you won't mind falling victim to.

The movie begins with a flying saucer landing in a grassy field in Middle America. Manifesting within the blinding glow of pink light, Lisa Ann and Tasha Reign take their first steps on Earth's soft terrain. Witnessing the monumental landing, Ryan McLane is immediately hypnotized the moment the extraterrestrial invaders pull their tits out of their shiny blue spacesuits. "Boobs, must have boobs," he chants, obviously overcome by the impenetrable power of their magnificent mammaries.

Taking down their first victim, Tasha lures Ryan into her nifty spacecraft, excited to celebrate the ease of her handsome conquest. "I'm going to give you the most mind-blowing sex you've ever had," she purrs, latching his open mouth over her baby pink nipples. Sucking hard until his cheeks cave, Ryan suckles her tender flesh with expert concentration. Cupping his hands around her perky set, Ryan makes excellent use of his hands and mouth, biting her nips between licks.

Feeling the need to take things to the next level, Tasha sexily sways her way down his body, plopping his balls into her mouth. Skillfully juggling his set, Tasha works her tongue around both double danglers, as he commencing with his comical chanting of, 'boobs." Finally making her way to his shaft, Tasha sucks and blows while she purrs, "It's time for you to come service your master."

Now with her tan legs spread open against the sparkly blue mattress, Ryan dives into her cosmic coochie, lapping her hole from every angle. "Pussy," he chimes in, as his chant changes and his lips drip from her naturally

wet juices. From here, he pounds her hard in doggie, causing her peachy ass to wiggle as he penetrates. Filling Morgan's frame with plenty of her anus, these enchanting aliens are making quite the first impression!

Meanwhile, back at her laboratory, Alektra Blue has Ramon Nomar fastened to an examining table, with cords and sticky patches affixed to his muscular body. Into her tape recorder Alektra asserts, "The effects of mind control by using external sexual stimuli on male psyche number 507."

With her clipboard in hand, Alektra begins seducing Ramon by swaying her hips and flashing him glimpses of her overflowing cleavage. "Please give me your level of arousal on a scale from 1 to 10." Continuing with the experiment, she pulls up her skirt and Ramon yells, "4". From here, she throws her white smock across the room, followed by her black dress that causes her store-bought set to shake against her chest. "6" he yells, as his boner begins growing underneath the white sheet. Now straddling his body, looking ideal in her tan bra and panty set, Alektra licks his lips and continues escalating her sexual performance. "9" he jerks, reaching up to grab her lips to steal a lip-smacking French kiss that makes her coo. Spinning around, Alektra mounts him in the sixty-nine position, smashing her wet pussy across his waiting mouth. For this carnal display, Ramon roars, "10, 10, 10, 10!"

With her pussy in full drip over his lips, Ramon sucks the innards out of her pretty hole. Returning the favour by administering masterful blowjob skills, it's awesome watching Alektra's newly enhanced lips grab hold of his pole like a metal vice. "Go for it," Morgan directs under his breath, enthralled by the look of these two winning performers.

Ramon continues their romp in the missionary position, banging Alektra so hard that her creamy coloured pussy turns as crimson as a Red Delicious apple. Taking time to suck her pussy in between positions, Ramon proves to be the perfect test subject in her quest at finding a cure to save humanity. Although, at the end of her unconventional experiment, Alektra concludes, "The subject is now a spineless wimp who can easily be controlled by mind control." Whoops!

As the extraterrestrial enchantresses continue dominating the male population with their "boob power," the President of the United States, Mark Wood, has been notified of the alien invasion of our planet. "First the damn commies and now this," he exclaims, slamming his fists across his stately desk. With a room full of army officials and Alektra, the notable scientist, Mark continues with his plan of action, "You have to develop something to thwart these evil she-bitches and preserve the American way!"

With all qualified servicemen already hypnotized and out of commission, Mark Wood and Alektra Blue look to Richie and Chris Johnson, two R.O.T.C. dorks from the local community college, to help implement Alektra's secret serum that is sure to kill the alien bitches with one fatal blast.

As the heroic team sets out, Lisa Ann, the alien queen, manifests into Mark's official office. "Greetings, Earth man. You should bow before your queen," she smiles, swiftly freeing her moon-shaped mammaries from her spacesuit, before he can get to his deadly serum.

Now under her complete control, she squats before him and works his presidential prick between her glossy lips. Loudly slurping his set, Lisa works his pole like a true cock star, planting a row of pink rings around his tool. "I'm learning to love this planet," she

"ALEKTRA SMASHES HER PUSSY ON HIS MOUTH"

"THE PRESIDENT HAS OFFICIALLY BEEN FUCKED"

continues, allowing him to paw at her tits while she sucks.

In time, Lisa Ann boards his lap as if it were a luxury liner, bucking her hips hard in cowgirl position. With her tanned melons smacking him in the face, Mark simply sticks his tongue out, enjoying the taste of her marshmallow-scented titties, as she continues stuffing her moon pie.

Next, Mark positions Lisa Ann in a standing doggie configuration that has her titties grazing the wooden desk, with each heated pump. Ending with him spraying his homo sapien seed across her ass, the President has officially been fucked!

In hot pursuit of the erotic aliens, Alektra, Richie and Chris Johnson invade their spacecraft, with the deadly serum stashed in guns. "If we take out the queen, the alien population will topple over," Alektra reveals, as the trio split up.

Together, in a seemingly abandoned part of the spaceship, Richie and Chris come across Margo Russo, a stellar blonde alien. "Halt, you are not supposed to be here," she asserts. Fumbling for their guns, Margo unleashes her cosmic cans. And, unfortunately, the lamebrain men fail to react quick enough, falling victim to her bountiful boob control.

Working their cocks in unison, Margo mouths both dicks. Sucking one while stroking the other, Margo keeps both her hands and her mouth quite busy. "I fucking love this planet," she smirks, plopping Riche's cock in and out of her cheek, creating a popping sound that makes the cast and crew squirm.

From here, Margo throws Richie down on the ground and mounts his lap in reverse cowgirl position, a display that really showcases her killer curves. Bouncing up and down like metal spring, Margo thoroughly enjoys herself from top to bottom. Not leaving Chris out for one second, Margo pulls him to the side of her and continues sucking his cock, while she services Richie down below. "Suck it alien bitch," Chris says, perfectly content with the horny trance he's mistakenly fallen victim to.

When it's time to switch off, Chris ploughs into Margo in missionary position. With each of his powerful hip thrusts, Margo's boobs quake and quiver across her chest, causing the men to fall into an even deeper trance. "Boobs," both men chant, eventually spraying her down with their healthy human extract before they go bouncing off the walls like total idiots.

Finally, a heated battle to ensure the future of humanity continues, Alektra goes to war with the *Busty Invaders From Mars*. Ending with a bang, you won't want to miss a single beat of the blistering battle.

As Alektra and Danny Mountain, a dignified military leader, leave the battleground, they are again met by a blinding light. This time it's blue. Once their eyes adjust, they find Julie Cash, a sexy alien, standing in the grass with a pink fishnet top and blue cape. With a thick pair of titties and a fat ass to match, Julie flirts, "My name is Queen Hinny from planet Uranus and I'm going to take over your planet with my butt power." Looking at each other, Alektra exhales in anguish, "You've got to be fucking kidding me." And, thus, a new sexy saga begins!

had a throbbing shaft in each hand. Wanking and tugging at each cock, I felt more of Mike's fingers enter my cunt, and his friend's hand groping for the crack of my arse. Eventually dropping to the floor, Mike was at the foot of my body threading my panties over my thighs, as his friend knelt next to my face, wanking himself furiously. Cupping his arse I pulled him over me so I could suck his balls as he tossed himself off. I felt my legs parted and the head of Mike's dick push itself inside me. I instantly started bucking back, as his fat shaft worked its way inside me.

By now, his friend had straddled my neck and was rolling his bell-end over my tongue as I strained greedily for him to give me all his meat. The fucking I was receiving was making me so wet that Mike kept slipping from my aching pussy. Every time he re-entered me, my lips gripped tighter on his friend's cock, and after the fourth time, he couldn't control himself and sent his sticky wad prematurely down my throat. As always I swallowed every last drop to both their delight! Mike obviously wanted the same, and literally shoved his friend out of the way, so he could finish off in my mouth.

"Make yourself useful!" I commanded his friend, before receiving a face full of cock that was still slippery from my own juices. As I sucked Mike to climax, my swollen clit was being tongued relentlessly whilst three fingers replaced the dick that was now pulsing at the corners of my mouth. It was too much to bear, and my climax began to build. Mike fell to the side of me grinning wildly, as I shuddered to orgasm with cum seeping from my mouth. Still shaking, with my eyes glazing over, I found myself being turned over, causing my erect nipples to rub on the fine carpet. Peering backwards over my left shoulder, I could see Mike's friend (who was clearly not as shy as he had first seemed!) steering his newly erect prick towards my arse.

He wet his fingers and dipped them in my bumhole, before spreading my cheeks and forcing his shaft in as far as he could. Grabbing at my long hair, he thrust hard, pulling me back onto my knees, allowing an exhausted Mike to suckle my tits and grope my pussy, which was literally dripping with my sweat and juices. I was in renewed ecstasy and could feel myself coming again. My body began to wriggle uncontrollably, as I screamed "Fuck my arse!" My climax began to take hold and I felt the fat dick slip from my hole, and splash its muck all over the crack of my bum and the small of my back.

With our limp bodies sandwiched together on my living room floor, covered in each other's mess, I think we all knew that the quick fuck Mike had come for had turned into something else entirely. Mike and his friend had discovered that my body really does come to life in the early hours!

HANNAH

PHOTOGRAPHY: AZUREPHOTOS

www.FreeMagsnet

As much as Hannah is so, so fuckable, the 21-year-old Wakefield lass reckons her sexual expertise is all in the wrist.

"Oh, I give a killer handjob," she grins, "and I love giving them. My favourite thing is to sit behind a guy, my legs wrapped around him, reaching around to wank him off. And I'm merciless – I go really, really fast so that they lose it, and when they cum they shoot really far. I love the power of having a throbbing cock in my tight grip, pre-cum leaking over my fingers. Oh fuck, got a cock I can play with right this second?"

What do you think?
